Sample story from our Heritage Honor Roll

Allan S. Kullen *Author, Business*
Printer, Social Entrepreneur, Traveler

"Her name is Ester Baumgartner. Do you know her?" Allan Kullen had posed the question in a broken mixture of Hebrew and English to whoever would listen and could understand him. Allan had met Ester while on an archaeological dig at Masada in Negev, Israel. All he knew by the time they parted ways was her name and the fact that she was staying in Tel Aviv. So, after finishing his work, he decided he would try to find her. He hitchhiked his way to Tel Aviv and, despite all odds, found her. It was to play an important role in his life.

Allan S. Kullen (February 20, 1942 – ?) Author.

Allan was born in Washington, DC, on February 20, 1942, to Eunice (Statland) and Sol Kullen, both originally from Baltimore, MD. His sister, Marian, was born two years later. He grew up in the DC metropolitan area. His father had built a successful career in the printing industry so, in 1959 after a very uneventful four years culminating in his high school graduation, Allan chose to attend the School of Printing Management at Carnegie Institute of Technology (CIT) in Pittsburgh, PA.

Americans All features photographs and texts on the contributions that immigrants made to the nation's development when they came through Ellis Island. At the same time, he was printing for the Coordinating Committee for Ellis Island, a nonprofit group focused on the same topic. This action rekindled the passion generated by his travels abroad, and he founded and became president of the People of America Foundation and became co-

photographs, simulations and teacher's guides, all developed by a team of scholars led by Americans All co-developer Dr. Gail C. Christopher. Although Americans All was well received by the education community, its appeal was limited to classrooms devoted to teaching social studies. With the national emphasis shifting to support STEM programs, his foundation [Note: This story was excerpted and edited from an interview by Gordon Bernhardt, author of Profiles in Success (Volume 6): Inspiration from Executive Leaders in the Washington D.C. A Champion for Social History

Allan Kullen

February 20, 1942 -

Allan Kullen was born on February 20, 1942, in Washington, DC, and grew up in the area. His father had success in the printing industry, so Allan chose to attend the Carnegie Institute of Technology in Pittsburgh, PA, after graduating from high school in 1959. He graduated from its School of Printing Management in 1963.

To gain more business training, Allan then entered an MBA program at the University of California, Berkeley. During his first year, he met representatives of NBBS, a Dutch travel organization that organized student trips to Europe, and began putting out a daily newspaper for the eight-day crossing by sea. He also accepted an internship as a consultant for a printing company in Amsterdam. That fall, rather than returning home, he traveled extensively where, for the first time, he recognized the contributions that diverse cultures make to world history. Allan subsequently decided to enter the workforce rather than resume his schooling at Berkeley.

He began his career as marketing director for his father?s printing firm, Kaufmann Press, Inc. When his father?s company was acquired by a public company, Publisher?s Company, Inc. (Pubco), he went to work for Pubco, first assisting with its acquisitions program and later joining its publishing division. When Pubco began to fail, Allan realized he needed to build a future where he could better control his own destiny, especially since he was now married to the former Diane Klein and they had two children, Allison and Todd. In 1974, he acquired the assets of a struggling printing company and formed Todd Allan Printing Co., Inc., which he ran until 2013. During that period, he grew the company through internal sales and roll-up acquisitions of eight smaller firms, at its peak achieving $16 million in annual sales and employing 127.

While working at Pubco, he observed that some of its large printing vendors also owned commercial educational properties, and he brought that manufacturing strategy to Todd Allan. He set up his own publishing company in the early 1980s by buying a program called *The First Experience*, which featured photographs and texts on the contributions that immigrants entering through Ellis Island made to our nation?s development. At the same time, he was printing for the Coordinating Committee for Ellis Island, a similarly focused nonprofit group.

Drawing inspiration from his extensive travels and reinforcing his interest in history, Allan then founded and became president of the People of America Foundation and became co-developer of its social studies resources program, Americans All. The program includes printed texts and recordings, period-specific posters and photographs, and simulations and teacher?s guides, all developed by a team of scholars led by Americans All co-developer Dr. Gail C. Christopher. More recent program components support excellence in social studies instruction by increasing access to high-quality resources for classrooms and professional development opportunities for teachers.

Create Legacy Story for an Individual   The Group story has a different template.

An asterisk (*) indicates a required field.

Click here for step-by-step instructions on how to create a legacy story for an individual. You may want to print these instructions for future reference

Use this template to create your honoree's legacy story in English. Once it is published in the Heritage Honor Roll, use the link under "Actions" on your "Welcome Back" page to "Create a legacy story in an additional language."

By capturing the text in all fields on this template, our "Search Engine" will make it easier for members to locate your honoree's story.

To ensure the legacy stories published on our Heritage Honor Roll do not contain inappropriate language, all text is filtered through a secure, third-party Profanity App. If a word or phrase used in your story is on its "block" list, you will receive an error message at the top of the template when you click on the "Publish My Story" button. If that occurs, replace the word or phrase by using its first and last letters and put an "x" for each letter in between, such as "sxxt" or "fxxk you."

We can override the App's list of blocked words. If you believe the "blocked" word is appropriate, contact us by e-mail. Put the word "Profanity" in the subject line. In the body of the e-mail, identify the "blocked word or phrase" and include the sentence in which it is used. If our editorial board agrees that the word or phrase is appropriate, we will remove the word or phrase from the App's block list and notify you so you can insert the desired word or phrase in your story.

Note: Each time you change your honoree's legacy story, you must click on "Publish My Story" or "Save My Work."

We have placed an **asterisk (*)** following the title of a box or field that must be filled in.

Americans All members will find it easy to start creating their life stories. Our template only requires individuals to fill in their name, date of birth and a summary not to exceed 60 words. Additional story text, hyperlinks and photographs can be added over time.

A link is provided for step-by-step instructions on how to create a legacy story for an individual. You may want to print these instructions for future reference.

The **Language** field has been preset to English for this version of your honoree's legacy story.

These fields ask you to provide the full name* and occupation of your honoree **(A)**. If there is no **Title**, **Middle Name, Nickname, Maiden Name, Suffix or Academic Degree, Occupation or State**, leave that field blank.

If your honoree has a religious, military or professional title, enter it in the field marked **Title**. Do not use salutations, such as Mr., Mrs. or Ms.

If the individual has two last names, the story will be alphabetized by the name that appears first in the **Last Name*** box.

If your honoree has a **Nickname**, enter it between quotation marks (e.g., "Skip" or "Lizzie").

In the field marked "Ethnicity and/or . . . " enter key words that will make it easier for the reader to "Search" for your story on our "Heritage Honor Roll."

Click on **Dates* (B)**.

Date of Birth: Check the top box if you do not know the year of birth. We will add a "?" to indicate that it is unknown. If you only know the year, we will add a "c." in front the year you provide to indicate it is an approximation.

Date of Death: Check the top box if your honoree is still living, or you do not know the exact date of death. If so, leave the field blank. If you only know the year, we will add a "c." in front the year you provide to indicate it is an approximation.

You can select the appropriate "Month, Day and Year" by clicking on the arrow after the word **-None-** in each box. After you have identified the appropriate information, click on it and the information will appear in the box. If you do not know the information, leave the word **-None-** in the box.

Create a legacy story or a landing page in an additional language.

View published   Modify/Update   Revisions | Create this page in an additional language |

Our Web site displays information in English using a standard Latin character set. At no additional cost, you can create your honoree's legacy story or a Legacy Partner's landing page in as many additional languages as you desire. However, each additional language cannot be used more than one time, except for those languages on the list that have been modified. To help you create either a story or a landing page, we have provided you with a copy of the English-language version to use as a guide. To create this new version, delete the English-language text and replace it with the new language text. Text and image fields that are not modified will remain the same as in the English-language version.

Similarly, you can post your Heritage Honor Roll stories to as many Legacy Partner landing pages as you desire, but each Legacy Partner landing page cannot accept more than one story from each member. Therefore, you must delete the 6-digit number of the landing page you selected for your English-language-version story from the new "additional language" template. This will not affect the English language version being posted to that Legacy Partner landing page.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site. Click here to learn how this can easily be done.

Click here to learn how this can easily be done.

You can create your new story in two ways:

- If you can change your keyboard settings to the desired language, delete the English-language text and replace it with the new language text.
- If you cannot change your keyboard settings, prepare your honoree's story in the desired language offline and cut and paste it into the template to replace the English-language text

If you do not find the additional language you desire listed below, please **contact us** and put the word "Additional Language" in the subject line.

Note: Many words and expressions do not have the same meaning in all languages. To ensure your honoree's legacy story or Legacy Partner landing page in the new language carries the same meaning as the English-language version, we advise that you do not rely on an automatic translation app.

Language	Title	Status	Operations
English for second story	n/a	Not translated	Create a translation
Bengali	n/a	Not translated	Create a translation
Chinese, Simplified	n/a	Not translated	Create a translation
English	**(9)**	Published	edit
French	n/a	Not translated	Create a translation

This is a partial list of available languages. If the language you want to use is not listed, contact us and we will add it to the database.

To create a story in an additional language, click on the appropriate fields. After the edits have been made, click on "Publish My Story or Save My Work.*" (10) A "pop-up" (11) will show to confirm (12) your instruction regarding your story.

Create My Honoree's Story in an Additional Language.

An asterisk (*) indicates a required field.

Click here for step-by-step instructions on how to create a legacy story for an individual in an additional language. You may want to print these instructions for future reference.

To assist you in creating your honoree's legacy story in an additional language, we have provided you a copy of the English-language version to use as a guide. To create this version of your story, delete the English-language text and replace it with the new language text. If a field is not changed (such as "Dates"), the data from the English version can remain. We have left the "Share your honoree's story with Legacy Partners" blank so you can insert the 6-digit ID numbers you desire. Otherwise, your story would have only been added to the same Legacy Partner landing page as your English version.

Note: Each time you change your honoree's legacy story, you must click on "Publish My Story or Save My Work" or your changes will not be saved.

Americans All Website Tutorials

Americans All members will find it easy to start creating their life stories. Our template only requires individuals to fill in their names, pertinent dates and a summary not to exceed 60 words. Additional story text, hyperlinks and photographs can be added over time. The following tutorials will help you create and publish your legacy story. You can update your story at any time, for free, and all previous versions are archived.

There are four major roles that Americans All members can have. A person (an individual or a group for which he/she is affiliated), a nonprofit organization, a school or education (a specific form of a nonprofit organization), and a business or professional service provider (and their respective offices and locations). A person can also be an agent (or Point of Contact) for a nonprofit or business member but must register separately using that organization's email address. Registration tutorials for each of the roles are below.
