

Welcome to the Americans All Legacy Partner Alliance

[Legacy Partners](#) are businesses, professional service providers, and nonprofit organizations whose missions reinforce our goals of enabling the creation and preservation of legacy stories, acknowledging the contributions of all Americans, supporting students participating in non-curriculum school activities, and helping small businesses succeed.

All Legacy Partners receive a 6-digit ID Number so their clients, members and staff can [register](#) for Americans All and add their stories to the Legacy Partner's landing page.

Business Legacy Partners

Business Legacy Partners pay a \$49 fee that is renewable every 6 months. **During the pilot phase, they receive a free, three-month trial in the program.** For this fee, businesses and professional service providers can:

- Receive free landing pages on our Web site—one for each location and in multiple languages, if desired—to share information about your business or practice and advertise discounts for current and future Americans All members.
- Get three additional business accounts at no charge. These can be used for branch offices or to list your business under multiple categories at the same location. Every renewal includes the continuation of the 3 additional business accounts. The additional accounts register by clicking on the "Add My Location" link on their Welcome Back page.
- Host, on your landing page(s), [legacy stories](#) that customers have published on our Heritage Honor Roll to provide further exposure for these stories. By doing so, you begin creating or expanding an affinity club for your business or practice .
- Be listed on both our [Discounts](#) page and our [Legacy Partner](#) landing page, so Americans All members can identify Business Legacy Partners offering discounts on products and services.

Moreover, businesses benefit because stories directly impact emotions, and emotions rather than data change behavior and frequently determine decisions to buy. Good storytelling builds trust and connections. It influences people to believe in the products upon which they depend every day and encourages them to become customers and clients.

Your participation in Americans All supports students participating in non-curriculum school activities, helps them gain a more well-rounded education, and reinforces your goal of supporting your community.

Nonprofit Legacy Partners

Nonprofit Legacy Partners can create free landing page(s) on our Web site—one for each chapter/division and in multiple languages, if desired—to share information about themselves and better connect with current and future members. They participate at no cost because they host, on their landing page(s) on our Web site, [legacy stories](#) your members have published on our Heritage Honor Roll to provide further exposure for these stories.

To help individuals and groups that share a common interest but are not represented by a national organization, such as families of COVID-19 victims and First Responders, and to consolidate stories on historically relevant topics, we have added landing pages for these [issues/topics](#) in our Legacy Partner section. If an individual or a group creates a story about an issue/topic we have not identified, notify us via our [Contact](#) page and we can create a landing page for that issue/topic.

In more recent years, reduced anti-Catholic violence minimized the militancy of the AOH and allowed an increase in cultural and charitable activity. As its marketing and operations arm, the benefit corporation supervises the foundation's day-to-day operations and Web site development and maintenance. It also manages relations with Americans All Social Legacy Network and Legacy Partner Alliance members. In addition, the benefit corporation provides technical support for the creation and distribution of the foundation's state- and grade-level-specific social studies resource databases and the expansion of the Americans All diversity-based classroom resources.
