How to create, edit and publish a Business Legacy Partner landing page, and create a story for the Heritage Honor Roll.

After you have created your Business Legacy Partner landing page, return to your “Welcome Back page” to “Register for Americans All and create a Heritage Honor Roll story for a Business Legacy Partner.”

Note: A person, creating either his/her own Americans All membership or acting as an organization's point of contact to create their membership, can publish multiple stories for our Heritage Honor Roll by taking advantage of the opportunity to create the individual or group story in multiple languages. But an organization's point of contact—for either a business or a nonprofit—can only create one Americans All Legacy Partner landing page for each organization. However, that landing page can be published in as many languages as desired. Moreover, a person can be a point of contact for multiple organizations, but each organization must be registered with a separate e-mail address.

Because schools and education organizations receive revenue from Americans All, they are a special category of Legacy Partner. A person or a Business/Nonprofit Legacy Partner can only sponsor one school or education organization, but a school or an education organization can have an unlimited number of sponsors.

Business Legacy Partner are organizations whose missions reinforce our goals of enabling the creation and preservation of legacy stories, acknowledging the contributions of all Americans, supporting students participating in non-curriculum school activities, and raising funds for schools. They can be searched on our Web site by name, language, category and location.

They receive a 6-digit ID Number so their clients, members and staff can [register](#) for Americans All.

Business Legacy Partners pay a \$49 fee that is renewable every 6 months. **During the pilot phase, they receive a free, three-month trial in the program.** For this fee, businesses and professional service providers can:

- Receive free landing pages on our Web site—one for each location and in multiple languages, if desired—to share information about your business or practice

and advertise discounts for current and future Americans All members.

- Get three additional business accounts at no charge. These can be used for branch offices or to list your business under multiple categories at the same location. Every renewal includes the continuation of the 3 additional business accounts. The additional accounts register by clicking on the "Add My Location" link on their Welcome Back page.
- Host, on your landing page(s), [legacy stories](#) that customers have published on our Heritage Honor Roll to provide further exposure for these stories. By doing so, you begin creating or expanding an affinity club for your business or practice.
- Be listed on both our [Discounts](#) page and our Legacy Partner landing page, so Americans All members can identify Business Legacy Partners offering discounts on goods and services.

Now that you have set up your Legacy Partner landing page, you can become a free lifetime member of Americans All through your point of contact (poc) and create your story(s) for the Heritage Honor Roll. One could be on your founder and the other can more fully describe the organization itself. Research has shown that businesses benefit from storytelling because stories directly impact emotions, and emotions rather than data change behavior and frequently determine decisions to buy. Good storytelling builds trust and connections. It influences people to believe in the products upon which they depend every day and encourages them to become more active customers and clients.

Your Americans All membership also gives your point of contact a three-month free trial in our Social Legacy Network. This enables you, through your poc to receive discounts on goods and services from other business partners. Partner membership account differs from your business account; the landing page and the story will have different ID Numbers. Since the Heritage Honor Roll is only for individuals, you are joining through your poc contact and he/she can access discounts for your business or practice from other Legacy Partners on your behalf.

We are currently updating the registration process for the Heritage Honor Roll. It was created in 2011. (Think about using a cell phone or computer today that was built in 2011, using the technology of that time.) Because of that inconvenience, we have waived your membership fee for three months and this will help you plan on the most effective way to use Americans All to increase your traffic.

Once the upgrade is completed, using current technology, and security updates, and is compatible with modern software, we will contact you. In the interim, you can decide on which school to support. If there is more than one school in your area, you can make your membership fee (77 percent of which goes to a school) to the school district.

Click on the "My Welcome Back Page" at the top of this page to continue accessing program benefits.

**You will receive an email from Americans All
confirming your registration.**

Thank you for setting up your Americans All Business Legacy Partner account. You can use your Business landing page—created in multiple languages, if desired—to describe your business or practice, and list the discounts you are offering to Americans All program members and other Legacy Partners. Your account will also appear on our “Discounts” landing page, which like your own landing page(s), can be updated for free at any time. By encouraging your clients and customers to add their stories to your landing page, you can begin to create or expand a loyalty club for your business or practice. In addition, by supporting your staff to add their personal stories, your clients or customers can learn more about the individuals interacting with them when they frequent your business or practice.

Sample Heritage Honor Roll story for an individual

Allan S. Kullen, Author, Business

Allan S. Kullen, February 20, 1942 - 2013

"Her name is Ester Baumgartner. Do you know her?" Allan Kullen had posed the question in a broken mixture of Hebrew and English to whoever would listen and could understand him. Allan had met Ester while on an archaeological dig at Masada in Negev, Israel. All he knew by the time they parted ways was her name and the fact that she was staying in Tel Aviv. So, after finishing his work, he decided he would try to find her. He hitchhiked his way to Tel Aviv and, despite all odds, found her. It was to play an important role in his life.

Cox-Hyson Home, Smithville, TX Historic Building

Cox-Hyson Home, Smithville, TX [Smithville Heritage Society] (c.1908-?) Historic Building

As a Bicentennial gift and through the generosity of Floyd R. "Skip" Hyson and his wife, Lucille, the newly-organized Smithville Heritage Society received the Cox-Hyson house as a permanent home for the Society in 1976. Built in 1908 for John Cox and his wife, Irene Wilkes Cox, the house was the family home of the John Cox family. Following John's untimely death in 1916, the house passed to his wife Irene, then their daughter Lillian Cox Hyson in 1952. Upon Lillian's death in 1976, the house went to her son, "Skip" Hyson, who then donated the house to the Smithville Heritage Society.

The home is listed on the [National Register of Historic Places](#) and has remained mostly unchanged since it was built except for minor interior changes and necessary restoration and maintenance work done by the Heritage Society. It sits in exactly the same location as when built. The wrap-around porch and tall iron columns with decorative corbels remind us of a typical two-story, early 1900s Victorian house, neo-classical in style. It is not "high Victorian," but "transitional," characterized by

wide verandas and wrap around porches, tall windows, and rooms with pocket doors. A white picket fence once enclosed the property in its early years.

On the first floor, there is a formal entry, parlor, dining room, bathroom, country kitchen and an enclosed porch, once a sleeping porch. The love

Allan Kullen

February 20, 1942 -

A Champion for Social History

Allan Kullen was born on February 20, 1942, in Washington, DC, and grew up in the area. His father had success in the printing industry, so Allan chose to attend the Carnegie Institute of Technology in Pittsburgh, PA, after graduating from high school in 1959. He graduated from its School of Printing Management in 1963.

To gain more business training, Allan then entered an MBA program at the University of California, Berkeley. During his first year, he met representatives of NBS, a Dutch civil organization that organized student trips to Europe, and began putting out a daily newspaper for the eight-day crossing by sea. He also accepted an internship as a consultant for a printing company in Amsterdam. That fall, rather than returning home, he traveled extensively.

First time, he recognized the contribution that diverse cultures make to world history. Allan decided to enter the workforce rather than resume his schooling at Berkeley.

He worked as a marketing director for his father's printing firm, Kaufman Press, Inc. When his father's company was acquired by a public company, Publisher's Company, Inc. (Pubco), he went to work for Pubco, first as a salesperson and later joining its publishing division. When Pubco began to fail, Allan decided to build a future where he could better control his own destiny, especially since he was now a former Dutch citizen and they had two children, Allison and Todd. In 1974, he acquired the assets of a printing company and formed Todd Allan Printing Co., Inc., which he ran until 1983. During that period, company through internal sales and roll-up acquisitions of eight smaller firms, at its peak achieving annual sales and employment 127.

At Pubco, he observed that some of its large printing vendors also owned commercial educational sites to teach the manufacturing strategy to Todd Allan. He set up his own publishing company in the by buying a program called The First Experience, which featured photographs and text on the that immigrants entering through Ellis Island made to our nation's development. At the same time, he joined the Coordinating Committee for Ellis Island, a similarly focused nonprofit group.

From his extensive travels and reinforcing his interest in history, Allan then founded and led the People of America Foundation and became a co-developer of its social studies resources series All. The program includes printed texts and recordings, period-specific posters and and an online and teacher's guides, all developed by a team of scholars led by Americans All co-ordinator C. Christopher. More recent program components support excellence in social studies increasing access to high-quality resources for classroom and professional development for teachers.

[Click here](#) for step-by-step instructions on how to create a legacy story for an individual. You may want to print these instructions for future reference.

Use this template to create your honoree's legacy story in English. Once it is published in the Heritage Honor Roll, use the link under "Actions" on your "Welcome Back" page to "Create a legacy story in an additional language."

By capturing the text in all fields—except "Middle Name" and (Maiden Name)—on this template, our "Search Engine" will make it easier for members to locate your honoree's story. For the listing in Americans All, please add a hyphen if the first or last name has more than one word (e.g., Mary-Ann, Billy-Bob, Smith-Benson). This will enable our "Search Engine" to add the hyphenated words as a single name.

To ensure the legacy stories published on our Heritage Honor Roll do not contain inappropriate language, all text is filtered through a secure, third-party Profanity App. If a word or phrase used in your story is on its "block" list, you will receive an error message at the top of the template when you click on the "Publish My Story" button. If that occurs, replace the word or phrase by using its first and last letters and put an "x" for each letter in between, such as "sxxt" or "fxxx you."

We can override the App's list of blocked words. If you believe the "blocked" word is appropriate, contact us by e-mail. Put the word "Profanity" in the subject line. In the body of the e-mail, identify the "blocked word or phrase" and include the sentence in which it is used. If our editorial board agrees that the word or phrase is appropriate, we will remove the word or phrase from the App's block list and notify you so you can insert the desired word or phrase in your story.

Note: Each time you change your honoree's legacy story, you must click on "Publish My Story" or "Save My Work."

Create this page in an additional language

Our Web site displays information in English using a standard Latin character set. At no additional cost, you can create your honoree's legacy story or a Legacy Partner's landing page in as many additional languages as you desire. However, each additional language cannot be used more than one time, except for those languages on the list that have been modified. To help you create either a story or a landing page, we have provided you with a copy of the English-language version to use as a guide. To create this new version, delete the English-language text and replace it with the new language text. Text and image fields that are not modified will remain the same as in the English-language version.

Similarly, you can post your Heritage Honor Roll stories to as many Legacy Partner landing pages as you desire, but each Legacy Partner landing page cannot accept more than one story from each member. Therefore, you must delete the 6-digit number of the landing page you selected for your English-language-version story from the new "additional language" template. This will not affect the English language version being posted to that Legacy Partner landing page.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site.

[Click here](#) to learn how this can easily be done.

You can create your new story in two ways:

- If you can change your keyboard settings to the desired language, delete the English-language text and replace it with the new language text.
- If you cannot change your keyboard settings, prepare your honoree's story in the desired language offline and cut and paste it into the template to replace the English-language text

If you do not find the additional language you desire listed below, please [contact us](#) and put the word "Additional Language" in the subject line.

Note: Many words and expressions do not have the same meaning in all languages. To ensure your honoree's legacy story or Legacy Partner landing page in the new language carries the same meaning as the English-language version, we advise that you do not rely on an automatic translation app.

This is a partial list of available languages. If the language you want to use is not listed, contact us and we will add it to the database.

To create a story in an additional language, click on the appropriate fields. After the edits have been made, click on “Publish My Story or Save My Work.” (17) A “pop-up” (18) will show to confirm (19) your instruction regarding your story.

Americans All Website Tutorials

Americans All members will find it easy to start creating their life stories. Our template only requires individuals to fill in their names, pertinent dates and a summary not to exceed 60 words. Additional story text, hyperlinks and photographs can be added over time. The following tutorials will help you create and publish your legacy story. You can update your story at any time, for free, and all previous versions are archived.

There are four major roles that Americans All members can have. A person (an individual or a group for which he/she is affiliated), a nonprofit organization, a school or education (a specific form of a nonprofit organization), and a business or professional service provider (and their respective offices and locations). A person can also be an agent (or Point of Contact) for a nonprofit or business member but must register separately using that organization's email address. Registration tutorials for each of the roles are below.

- Summary graphic on "How Americans All Works"
- Step-by-step instructions on how to register for Americans All and create a Heritage Honor Roll story for an individual or a group for which the individual is a member

Business Legacy Partners can host Heritage Honor Roll legacy stories of current and future clients and customers on their Americans All home page(s)—in multiple languages, if desired. If circumstances warrant, however, the business or practice can easily remove a story from its home page(s). By clicking on the “Edit” button on Americans All home page (B), you will be taken to a page to remove or reinstate a legacy story as well as update your Legacy Partner home page.

If your home page is open when a legacy story is added, the page must be refreshed in order for it to appear. Otherwise, it will automatically appear when you log in again.

To remove a story from a Legacy Partner home page, uncheck the box in front of the honoree's name (C) and click on the “Publish” button. The honoree's legacy story will remain in the Americans All electronic database, and the honoree's name will remain on the Legacy Partner's “Edit” page. The legacy story will not be visible to the public on this home page. A notice of removal will be automatically sent to the creator of the legacy story.

If the legacy story was removed in error and should continue to be included on this home page, place a check in the box in front of the honoree's name and click on the “Publish” button. A notice of reinstatement will be automatically sent to the creator of the legacy story.
