**How to become an office or location of an Americans All Business Legacy Partner, so you can create, update, and publish your own landing page and also create a story for our Heritage Honor Roll.**

**After you have created a Business Legacy Partner landing page for your office or location, return to your “Welcome Back page” to “Register for Americans All and create a Heritage Honor Roll story for your organization**

**Note:** A person, creating either his/her own Americans All membership or acting as an organization's point of contact to create their membership, can publish multiple stories for our Heritage Honor Roll by taking advantage of the opportunity to create the individual or group story in multiple languages. But an organization's point of contact—for either a business or a nonprofit—can only create one Americans All Legacy Partner landing page for each organization. However, that landing page can be published in as many languages as desired. Moreover, a person can be a point of contact for multiple organizations, but each organization must be registered with a separate e-mail address.

Because schools and education organizations receive revenue from Americans All, they are a special category of Legacy Partner. A person or a Business/Nonprofit Legacy Partner can only sponsor one school or education organization, but a school or an education organization can have an unlimited number of sponsors.

Business Legacy Partner are organizations whose missions reinforce our goals of enabling the creation and preservation of legacy stories, acknowledging the contributions of all Americans, supporting students participating in non-curriculum school activities, and raising funds for schools. They can be searched on our Web site by name, language, category and location.

They receive a 6-digit ID Number so their clients, members and staff can [register](#) for Americans All.

Business Legacy Partners pay a \$49 fee that is renewable every 6 months. **During the pilot phase, they receive a free, three-month trial in the program.** For this fee, businesses and professional service providers can:

- Receive free landing pages on our Web site—one for each location and in multiple languages, if desired—to share information about your business or practice

and advertise discounts for current and future Americans All members.

- Get three additional business accounts at no charge. These can be used for branch offices or to list your business under multiple categories at the same location. Every renewal includes the continuation of the three additional business accounts. The additional accounts register by clicking on the "Add My Location" link on their Welcome Back page.
- Host, on your landing page(s), [legacy stories](#) that customers have published on our Heritage Honor Roll to provide further exposure for these stories. By doing so, you begin creating or expanding an affinity club for your business or practice.
- Be listed on both our [Discounts](#) page and our Legacy Partner landing page, so Americans All members can identify Business Legacy Partners offering discounts on goods and services.

## Add my location to a Business Legacy Partner Account

The membership fee paid by your Business Legacy Partners enables them to link additional store or practice locations to their account using their 6-digit ID Number. Each location must create a separate “User Account” and then click on the “Add My Location to a Business Legacy Partner Account” link on its “Welcome Back” page. There is no cost to register, and each location will have its own Legacy Partner landing page—in multiple languages, if desired—to describe its products and/or services, list available discounts, and better connect with current and prospective customers and clients.

Moreover, in addition to being listed on our “Legacy Partner Landing Page” and our “Discounts” page, each store or practice can host legacy stories that customers, clients and staff have published on our Heritage Honor Roll to provide further exposure for these stories. By doing so, a loyalty club is created or expanded for the location to better connect with current and prospective customers and clients. Locations can also develop co-marketing strategies with other Americans All Business Legacy Partners.

Employees of each store or practice can also join Americans All, using their own e-mail address and Zip Code, to publish a legacy story on our Heritage Honor Roll and take advantage of program benefits. See [www.americansall.org/locations](http://www.americansall.org/locations).

Legacy story text, hyperlinks, photographs, and audio and video media can be added over time. The story can be updated for free and a shortened version can be printed on an 8½" x 11" template. To ensure privacy, part of the legacy story can be password protected. To provide additional story exposure, members can post it on the landing pages of as many of our Legacy Partners as desired. Where applicable, students can earn service-learning credits by participating in our program.

Americans All members also gain access to our existing background resources, including our ethnic and cultural texts, music publication, and period-specific photographs and posters—all highlighting the activities of groups who helped our nation grow (\$650 value). Moreover, members and their families can maintain their Social Legacy Network program benefits by continuing their subscription, after their free trial ends, for just \$4 per month. This enables them to continue to access to discounts on goods and services offered by our program partners and additional benefits from Americans All. ## Sample Heritage Honor Roll story for an individual

Allan S. Kullen, Author, Business

"Her name is Ester Baumgartner. Do you know her?" Allan Kullen had posed the question in a broken mixture of Hebrew and English to whoever would listen and could understand him. Allan had met Ester while on an archaeological dig at Masada in Negev, Israel. All he knew by the time they parted ways was her name and the fact that she was staying in Tel Aviv. So, after finishing his work, he decided he would try to find her. He hitchhiked his way to Tel Aviv and, despite all odds, found her. It was to play an important role in his life.

Allan S. Kullen, February 20, 1942 - 1994

Allan was born in Washington, DC, on February 20, 1942, to Eunice (Staland) and Sal Kullen, both originally from Baltimore, MD. His sister, Marian, was born two years later. He grew up in the DC metropolitan area. His father had built a successful career in the printing industry so, in 1959, after a very uneventful four years culminating in his high school graduation, Allan chose to attend the School of Printing Management at [Carnegie Institute of Technology](#) (CIT) in Pittsburgh, PA.

Americans All features photographs and texts on the contributions that immigrants made to the nation's development when they came through Ellis Island. At the same time, he was printing for the [Coordinating Committee for Ellis Island](#), a nonprofit group focused on the same topic. This action rekindled the passion generated by his travels abroad, and he founded and became president of the People of America Foundation and became co-developer of its signature resource program, [Americans All](#). The program consisted of printed texts and recordings, period-specific posters and photographs, simulations and teacher's guides, all developed by a team of scholars led by Americans All co-developer [Dr. Gail C. Although Americans All was well received by the education community, its appeal was limited to classrooms devoted to teaching social studies. With the national emphasis shifting to support STEM programs, his foundation (Note: This story was excerpted and edited from an interview by Gordon Bernhardt, author of [Profiles in Success](#) (Volume 6): Inspiration from Executive Leaders in the Washington D.C. ### Cox-Hyson Home, Smithville, TX [Historic Building](#)

Cox-Hyson Home, Smithville, TX  
[Smithville Heritage Society] (c.1908-?)  
Historic Building

As a Bicentennial gift and through the generosity of Floyd R. "Skip" Hyson and his wife, Lucille, the newly-organized Smithville Heritage Society received the Cox-Hyson house as a permanent home for the Society in 1976. Built in 1908 for John Cox and his wife, Irene Wilkes Cox, the house was the family home of the John Cox family. Following John's untimely death in 1916, the house passed to his wife Irene, then their daughter Lillian Cox Hyson in 1952. Upon Lillian's death in 1976, the house went to her son, "Skip" Hyson, who then donated the house to the Smithville Heritage Society.

The home is listed on the [National Register of Historic Places](#) and has remained mostly unchanged since it was built except for minor interior changes and necessary restoration and maintenance work done by the Heritage Society. It sits in exactly the same location as when built. The wrap-around porch and tall iron columns with decorative corbels remind us of a typical two-story, early 1900s Victorian house, neo-classical in style. It is not "high Victorian," but "transitional," characterized by

wide verandas and wrap around porches, tall windows, and rooms with pocket doors. A white picket fence once enclosed the property in its early years.

On the first floor, there is a formal entry, parlor, dining room, bathroom, country kitchen and an enclosed porch, once a sleeping porch. The love

## Create Legacy Story for an Individual

**[A different template is provided for a Group story]**

*An asterisk (\*) indicates a required field.*

[Click here](#) for step-by-step instructions on how to create a legacy story for an individual. You may want to print these instructions for future reference.

Use this template to create your honoree's legacy story in English. Once it is published in the Heritage Honor Roll, use the link under "Actions" on your "Welcome Back" page to "Create a legacy story in an additional language."

By capturing the text in all fields—except "Middle Name" and (Maiden Name)—on this template, our "Search Engine" will make it easier for members to locate your honoree's story. For the listing in Americans All, please add a hyphen if the first or last name has more than one word (e.g., Mary-Ann, Billy-Bob, Smith-Benson). This will enable our "Search Engine" to add the hyphenated words as a single name.

To ensure the legacy stories published on our Heritage Honor Roll do not contain inappropriate language, all text is filtered through a secure, third-party Profanity App. If a word or phrase used in your story is on its "block" list, you will receive an error message at the top of the template when you click on the "Publish My Story" button. If that occurs, replace the word or phrase by using its first and last letters and put an "x" for each letter in between, such as "sxxt" or "fxxx you."

We can override the App's list of blocked words. If you believe the "blocked" word is appropriate, contact us by e-mail. Put the word "Profanity" in the subject line. In the body of the e-mail, identify the "blocked word or phrase" and include the sentence in which it is used. If our editorial board agrees that the word or phrase is appropriate, we will remove the word or phrase from the App's block list and notify you so you can insert the desired word or phrase in your story.

**Note:** Each time you change your honoree's legacy story, you must click on "Publish My Story" or "Save My Work."

## Create a legacy story or a landing page in an additional language.

[View published](#) [Modify/Update](#) [Revisions](#) **Create this page in an additional language**

Our Web site displays information in English using a standard Latin character set. At no additional cost, you can create your honoree's legacy story or a Legacy Partner's landing page in as many additional languages as you desire. However, each additional language cannot be used more than one time, except for those languages on the list that have been modified. To help you create either a story or a landing page, we have provided you with a copy of the English-language version to use as a guide. To create this new version, delete the English-language text and replace it with the new language text. Text and image fields that are not modified will remain the same as in the English-language version.

Similarly, you can post your Heritage Honor Roll stories to as many Legacy Partner landing pages as you desire, but each Legacy Partner landing page cannot accept more than one story from each member. Therefore, you must delete the 6-digit number of the landing page you selected for your English-language-version story from the new "additional language" template. This will not affect the English language version being posted to that Legacy Partner landing page.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site.

[Click here](#) to learn how this can easily be done.

You can create your new story in two ways:

- If you can change your keyboard settings to the desired language, delete the English-language text and replace it with the new language text.
- If you cannot change your keyboard settings, prepare your honoree's story in the desired language offline and cut and paste it into the template to replace the English-language text

If you do not find the additional language you desire listed below, please [contact us](#) and put the word "Additional Language" in the subject line.

Note: Many words and expressions do not have the same meaning in all languages. To ensure your honoree's legacy story or Legacy Partner landing page in the new language carries the same meaning as the English-language version, we advise that you do not rely on an automatic translation app.

## Create My Honoree's Story in an Additional Language.

*An asterisk (\*) indicates a required field.*

[Click here](#) for step-by-step instructions on how to create a legacy story for an individual in an additional language. You may want to print these instructions for future reference.

To assist you in creating your honoree's legacy story in an additional language, we have provided you a copy of the English-language version to use as a guide. To create this version of your story, delete the English-language text and replace it with the new language text. If a field is not changed, the data from the English version will remain. Moreover, since Legacy Partner landing pages can only accept one story from each member, delete the 6-digit number of the landing page you selected for your English-language-version story from this new “additional language” template. Your English language version of the story will not be affected.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site. [Click here](#) to learn how this can easily be done.

**Note:** Each time you change your honoree's legacy story, you must click on “Publish My Story or Save My Work” or your changes will not be saved.

## Americans All Website Tutorials

Americans All members will find it easy to start creating their life stories. Our template only requires individuals to fill in their names, pertinent dates and a summary not to exceed 60 words. Additional story text, hyperlinks and photographs can be added over time. The following tutorials will help you create and publish your legacy story. You can update your story at any time, for free, and all previous versions are archived.

There are four major roles that Americans All members can have. A person (an individual or a group for which he/she is affiliated), a nonprofit organization, a school or education (a specific form of a nonprofit organization), and a business or professional service provider (and their respective offices and locations). A person can also be an agent (or Point of Contact) for a nonprofit or business member but must register separately using that organization's email address. Registration tutorials for each of the roles are below.

Business Legacy Partners can host Heritage Honor Roll legacy stories of current and future clients and customers on their Americans All home page(s)—in multiple languages, if desired. If circumstances warrant, however, the business or practice can easily remove a story from its home page(s). By clicking on the “Edit” button on Americans All home page (B), you will be taken to a page to remove or reinstate a legacy story as well as update your Legacy Partner home page.

If your home page is open when a legacy story is added, the page must be refreshed in order for it to appear. Otherwise, it will automatically appear when you log in again.

To remove a story from a Legacy Partner home page, uncheck the box in front of the honoree's name (C) and click on the “Publish” button. The honoree's legacy story will remain in the Americans All electronic database, and the honoree's name will remain on the Legacy Partner's “Edit” page. The legacy story will not be visible to the public on this home page. A notice of removal will be automatically sent to the creator of the legacy story.

If the legacy story was removed in error and should continue to be included on this home page, place a check in the box in front of the honoree's name and click on the “Publish” button. A notice of reinstatement will be automatically sent to the creator of the legacy story.
