

Tutorial

How to create and edit an Americans All landing page and create and edit it in another language(s).

After you have created a Legacy Partner landing page, return to your “Welcome Back page” to register for Americans All as a point of contact, and create a Heritage Honor Roll story for a Legacy Partner.

Note: An individual, creating either his/her own Americans All membership or acting as an organization's point of contact to create their membership, can publish multiple stories for our Heritage Honor Roll by taking advantage of the opportunity to create the individual or group story in multiple languages. But an organization's point of contact—for either a business or a nonprofit—can only create one Americans All Legacy Partner landing page for each organization. However, that landing page can be published in as many languages as desired. Moreover, a person can be a point of contact for multiple organizations, but each organization must be registered with a separate e-mail address.

Because schools and education organizations receive revenue from Americans All, they are a special category of Legacy Partner. An individual person or a Business/Nonprofit Legacy Partner can only sponsor one school or education organization, but a school or an education organization can have an unlimited number of sponsors.

Irish Americans: Members of the Ancient Order of Hibernians

Fraternal Organization

The [Ancient Order of Hibernians \(AOH\)](#) is America's oldest and largest Irish Catholic organization. It is made up of Irish and Irish-Americans dedicated to the promotion, protection and preservation of Irish culture and traditions in America.

Founded in 1836 in New York and Pennsylvania to defend immigrant Irish from intolerance by nativist [Know-Nothings](#), they followed the Irish across the new nation providing welfare benefits to members and protection to their church growing, as they went, into a national organization.

The heroism of the Irish units in the [American Civil War](#) had America cheering for the sons of Erin in American uniform while the charms of Irish domestics were winning admirers on the home front. The result was a decrease in prejudice against the Irish, and the Know-Nothing movement, recognized for the bigoted group it was, faded away. The AOH, on the other hand, grew stronger as they worked their way across America. A Ladies Auxiliary was started in 1906 and incorporated as the [Ladies AOH](#) in 2004.

In more recent years, reduced anti-Catholic violence minimized the militancy of the AOH and allowed an increase in cultural and charitable activity. Today they support community charities of all religions and ethnic origins while preserving Ireland's ancient heritage. Annual dances, concerts, and parades sponsored at all levels of the Order raise millions for charity while providing a showcase for the positive contributions the Irish have made in every walk of American life. Hibernian Halls across the country also provide a welcome for new immigrants where the unique interests of the Irish are fostered, making the AOH a home away from home for many. Create Legacy Story for an Individual

[A different template is provided for a Group story]

An asterisk () indicates a required field.*

[Click here](#) for step-by-step instructions on how to create a legacy story for an individual. You may want to print these instructions for future reference.

Use this template to create your honoree's legacy story in English. Once it is published in the Heritage Honor Roll, use the link under "Actions" on your "Welcome Back" page to "Create a legacy story in an additional language."

By capturing the text in all fields—except "Middle Name" and (Maiden Name)—on this template, our "Search Engine" will make it easier for members to locate your honoree's story. For the listing in Americans All, please add a hyphen if the first or last name has more than one word (e.g., Mary-Ann, Billy-Bob, Smith-Benson). This will enable our "Search Engine" to add the hyphenated words as a single name.

To ensure the legacy stories published on our Heritage Honor Roll do not contain inappropriate language, all text is filtered through a secure, third-party Profanity App. If a word or phrase used in your story is on its "block" list, you will receive an error message at the top of the template when you click on the "Publish My Story" button. If that occurs, replace the word or phrase by using its first and last letters and put an "x" for each letter in between, such as "sxxt" or "fxxk you."

We can override the App's list of blocked words. If you believe the "blocked" word is appropriate, contact us by e-mail. Put the word "Profanity" in the subject line. In the body of the e-mail, identify the "blocked word or phrase" and include the sentence in which it is used. If our editorial board agrees that the word or phrase is appropriate, we will remove the word or phrase from the App's block list and notify you so you can insert the desired word or phrase in your story.

Note: Each time you change your honoree's legacy story, you must click on "Publish My Story" or "Save My Language"

Create a legacy story or a landing page in an additional language.

[View published](#) [Modify/Update](#) [Revisions](#) **Create this page in an additional language**

Our Web site displays information in English using a standard Latin character set. At no additional cost, you can create your honoree's legacy story or a Legacy Partner's landing page in as many additional languages as you desire. However, each additional language cannot be used more than one time, except for those languages on the list that have been modified. To help you create either a story or a landing page, we have provided you with a copy of the English-language version to use as a guide. To create this new version, delete the English-language text and replace it with the new language text. Text and image fields that are not modified will remain the same as in the English-language version.

Similarly, you can post your Heritage Honor Roll stories to as many Legacy Partner landing pages as you desire, but each Legacy Partner landing page cannot accept more than one story from each member. Therefore, you must delete the 6-digit number of the landing page you selected for your English-language-version story from the new "additional language" template. This will not affect the English language version being posted to that Legacy Partner landing page.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site.

[Click here](#) to learn how this can easily be done.

You can create your new story in two ways:

- If you can change your keyboard settings to the desired language, delete the English-language text and replace it with the new language text.
- If you cannot change your keyboard settings, prepare your honoree's story in the desired language offline and cut and paste it into the template to replace the English-language text

If you do not find the additional language you desire listed below, please [contact us](#) and put the word "Additional Language" in the subject line.

Note: Many words and expressions do not have the same meaning in all languages. To ensure your honoree's legacy story or Legacy Partner landing page in the new language carries the same meaning as the English-language version, we advise that you do not rely on an automatic translation app.

Language	Title	Status	Operations
English for second story	n/a	Not translated	Create a translation
Bengali	n/a	Not translated	Create a translation
Chinese, Simplified	n/a	Not translated	Create a translation
English		Published	edit
French	n/a	Not translated	Create a translation

(12)

This is a partial list of available languages. If the language you want to use is not listed, contact us and we will add it to the database.

To create a story in an additional language, click on the appropriate fields. After the edits have been made, click on “Publish My Story or Save My Work.” (13) A “pop-up” (14) will show to confirm (15) your instruction regarding your story.

[Click here](#) for step-by-step instructions on how to create a legacy story for an individual in an additional language. You may want to print these instructions for future reference.

To assist you in creating your honoree's legacy story in an additional language, we have provided you a copy of the English-language version to use as a guide. To create this version of your story, delete the English-language text and replace it with the new language text. If a field is not changed, the data from the English version will remain. Moreover, since Legacy Partner landing pages can only accept one story from each member, delete the 6-digit number of the landing page you selected for your English-language-version story from this new “additional language” template. Your English language version of the story will not be affected.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site. [Click here](#) to learn how this can easily be done.

Americans All Website Tutorials

Americans All members will find it easy to start creating their life stories. Our template only requires individuals to fill in their names, pertinent dates and a summary not to exceed 80 words. Additional story text, hyperlinks and photographs can be added over time. The following tutorials will help you create and publish your legacy story. You can update your story at any time, for free, and all previous versions are archived.

There are four major roles that Americans All members can have. A person (an individual or a group for which he/she is affiliated), a nonprofit organization, a school or education (a specific form of a nonprofit organization), and a business or professional service provider (and their respective offices and locations). A person can also be an agent (or Point of Contact) for a nonprofit or business member but must register separately using that organization's email address. Registration tutorials for each of the roles are below.

Business Legacy Partners can host Heritage Honor Roll legacy stories of current and future clients and customers on their Americans All home page(s)—in multiple languages, if desired. If circumstances warrant, however, the business or practice can easily remove a story from its home page(s). By clicking on the “Edit” button on Americans All home page (B), you will be taken to a page to remove or reinstate a legacy story as well as update your Legacy Partner home page.

If your home page is open when a legacy story is added, the page must be refreshed in order for it to appear. Otherwise, it will automatically appear when you log in again.

To remove a story from a Legacy Partner home page, uncheck the box in front of the honoree's name (C) and click on the “Publish” button. The honoree's legacy story will remain in the Americans All electronic database, and the honoree's name will remain on the Legacy Partner's “Edit” page. The legacy story will not be visible to the public on this home page. A notice of removal will be automatically sent to the creator of the legacy story.

If the legacy story was removed in error and should continue to be included on this home page, place a check in the box in front of the honoree's name and click on the “Publish” button. A notice of reinstatement will be automatically sent to the creator of the legacy story.

Sample Nonprofit Legacy Partners & Issues/Topics Pages

All Legacy Partners receive a 6-digit ID Number when they register so their clients, members, friends and staff can easily find them on our site by putting the word “node” and that ID number after our web address—www.americansall.org/node/xxxxxx. Moreover, Legacy Partners can access Americans All logos and marketing materials to help advertise their membership in our program.

Nonprofit Legacy Partners (NLPs) participate in Americans All at no cost because they host, on their free Legacy Partner home page(s) on our website, legacy stories that members have published on our Heritage Honor Roll to provide further exposure for these stories. These home page(s)—one for each chapter/division/office and in multiple languages, if desired—share information about the organization and help it better connect with current and future members.

NLPs are listed on our Legacy Partner landing page and can be searched by name, language, category and location. [To help individuals and groups that share a common interest but do not have a national organization, and to consolidate stories on historically relevant topics, we have added landing pages for these “issue/topics” in our Legacy Partner section.
