Group, Business or Organization Legacy Partner Home Page(s)

After designating a point of contact to manage their user account, businesses and nonprofit organizations participate in our program as Legacy Partners. They can generate home page(s)—in multiple languages, if desired—for each location or chapter/district on our Website to share information about themselves, better connect with their clients and members and demonstrate their commitment to strengthening communities. They can use their home page(s) to host legacy stories published on our Heritage Honor Roll by those important to them, thus providing further exposure for these stories. Business Legacy Partners also share discounts on goods and services with other Legacy Partner and subscribers to our Social Legacy Network.

School, Library or Historical Society Legacy Partner Home Page(s)

A point of contact is required to act as an agent for a school, library or historical society so he or she can create a free legacy story on the education organization and share it on our Web-based Heritage Honor Roll. The education organization's legacy story can be published in multiple languages, if desired, and can be enhanced through photographs, movies and other audio so he or she can create a free legacy story on the education . . .

Irish Americans: Members of the Ancient Order of Hibernians

Nonprofit Legacy Partner *Irish Americans: Members of the Ancient Order of Hibernians* has been updated.

Fraternal Organization

The [Ancient Order of Hibernians \(AOH\)](#) is America's oldest and largest Irish Catholic organization. It is made up of Irish and Irish-Americans dedicated to the promotion, protection and preservation of Irish culture and traditions in America.

Founded in 1836 in New York and Pennsylvania to defend immigrant Irish from intolerance by nativist [Know-Nothings](#), they followed the Irish across the new nation providing welfare benefits to members and protection to their church growing, as they went, into a national organization.

The heroism of the Irish units in the [American Civil War](#) had America cheering for the sons of Erin in American uniform while the charms of Irish domestics were winning admirers on the home front. The result was a decrease in prejudice against the Irish, and the Know-Nothing movement, recognized for the bigoted group it was, faded away. The AOH, on the other hand, grew stronger as they worked their way across America. A Ladies Auxiliary was started in 1906 and incorporated as the [Ladies AOH](#) in 2004.

In more recent years, reduced anti-Catholic violence minimized the militancy of the AOH and allowed an increase in cultural and charitable activity. Today they support community charities of all religions and ethnic origins while preserving Ireland's ancient heritage. Annual dances, concerts, and parades sponsored at all levels of the Order raise millions for charity while providing a showcase for the positive contributions the Irish have made in every walk of American life. Hibernian Halls across the country also provide a welcome for new immigrants where the unique interests of the Irish are fostered, making the AOH a home away from home for many. Our Web site displays information using a standard Latin character set. At no additional cost, you can create your honoree's legacy story in an additional language besides English. To do so, locate the desired language and click on "Create a translation" under the "Operations" tab. When the template appears, it will contain a copy of the English- language version of the legacy story. You can create your new story in two ways:

- If you can change your keyboard settings to the desired language, delete the English-language text and replace it with the new language text.
- If you cannot change your keyboard settings to the desired language, prepare your honoree's story in the desired language off line and cut and paste the new language text to replace into the template to replace the English-language text.

Text and image fields that are not modified will remain the same as in the English-language version. If you do not find the additional language you desire listed below, please [contact us](#) and put the word "Additional Language" in the subject line.

Note: Many words and expressions do not have the same meaning in all languages. To ensure your honoree's legacy story in the new language carries the same meaning as the English-language version, we advise that you do not rely on an automatic translation app.

A point of contact is required to act as an agent for a school, library or historical society so he or she can create a free legacy story on the education organization and share it on our Web-based Heritage Honor Roll. The education organization’s legacy story can be published in multiple languages, if desired, and can be enhanced through photographs, movies and other audio and video media. Education organization Legacy Partners can access the existing Americans All education resources, including our ethnic and cultural texts, music publication, and period-specific photographs and posters (a \$500+ value).
